CLASS REP MEETING MINUTES

- Yosaf/Aleksi: Welcome to the Student Council, we are grateful to have you.
- Introduction of all members
- Discussed various aspects of the student council and related protocols
 - Rules of order
 - Rights of Members
 - Intro to what student council is
 - Intro to what the constitution is
 - Levels of government
 - Responsibilities at each level
 - The HOR, and the role of the cohort representative
 - In case the cohort rep is not able to attend, the vice rep will attend in their absence.
 - Cohort reps should talk with their class monthly to discuss any concerns that they may have about the school atmosphere and anything that can be improved.
 - Cohort rep should also brief their class about what happened during the HOR meeting, providing them with minutes
 - During HOR meetings, cohort reps should give their opinions on topics that we are discussing. Feel free to bring up any concerns directly to your grade senator or type chat

Vinusha: Safe schools concerns?

- None

Emma, Ben, Sierra, and Noah: Grade Senators Concerns?

- There is an uneven distribution of workload, and there remains a lack of accommodation for difficult accommodations
- Why is the audio for announcements and "O Canada" always so quiet
- *Both comments will be relayed to admin during our next exec meeting*

Aleski: Four clubs passed: [Club Charters](#)

- Student asked why clubs were being voted on together
 - Response: For efficiency's sake, though if there were a situation when a class rep had an issue with one of the clubs, it would be separated from the list and voted on separately
- Student asked whether their class was supposed to have seen this information prior to the meeting because their class had not
 - Response: This is the first time that cohort reps have been shown this information, except for being linked in the agenda from yesterday

Gabe: Quad 3 budget passed, 36 for and 2 against

CLASS REP MEETING MINUTES

Aleksi: The CRC is currently reviewing ways to bring reform to the Senate and the House. Get in touch with Aleksi if you or a member of your class have any ideas on how they can be reformed.

Sam: Prom and commencement have been canceled in the traditional sense, we are looking at alternatives. We are working on grad hoodie designs as well. Let her know if you have any creative ideas about how to host the events

Yosaf: To recap:

- Please share the [Quad 3 Budget](#), the list of clubs passed today and [Meeting Minutes](#) with your cohort.
- Ask if anyone in your cohort has concerns about school safety
- Ask about input into how to improve the House and Senate from your cohort

Question: Does the F block class not get a rep? Am I the rep?

- Response: All students are represented by their E-block class, so there is no need for an F-block representative.
