#### DEAF AND HARD OF HEARING CLASS REPS

- At Class rep meeting last day it was brought up that there are no deaf and hard of hearing class reps.
- To represent this part of the student body, Evan wrote a bill on the facebook group.
- Essentially goes over how we are going to make changes in the future to this issue.
- 1 Class rep from DHH for each grade which goes to every class rep meeting.
- There would be a translator and they would report to their grade senator.
- Specifics are laid out in the document. Encourage the Deaf and hard of hearing students to come to a meeting where they will vote on their representative.
- Passing Bills: Go to the Exec, goes to Senate, then finally Class reps to pass.
- For this bill, in the next Senate meeting you guys can make amendments by messaging Evan or print out a copy with your amendments on the sheet. Bring it in for next meeting so we can go over the bill and hopefully pass it then.
