### DRESS CODE TOWN HALL

Sammy: on January 17th there will be a town hall to share opinions on the dress code

- Be sure to make notes, TDSB wants our feedback on it

### PRINTING LIMIT

Curtis: In the library I tried to print and it took me to a website that said that the printing limit was reached

Sammy: Part of the 50 dollars that was paid at the beginning of the year goes towards printing (150 paper limit)

- If you want additional pages you have to pay for it

Curtis: Why do we have a limit?

- It's for academic purposes.

Ethan: Paper has monetary value, with everything there is a limit.

- The School tries to give as much as you can for academic purposes
- However we can look into how this affects the budget
- We will look into extending the amount of pages you get

Nava: Some people don't use their pages, maybe we can have a reserve of pages.

- Take the pages that aren't used and give it to people who need it
